About This Data

Nonprofit Explorer includes summary data for nonprofit tax returns and full Form 990 documents in PDF and digital format.

The summary data contains information processed by the IRS during the 2012-2019 calendar year. It generally consists of filings for the 2011-2018 fiscal years, but may include older records. This data includes only a subset of what can be found in the full Form 990.

In addition to the raw summary data, we link to PDFs and digital copies of full Form 990 wherever possible. This consists of separate releases by the IRS of Form 990 documents processed by the IRS, which we update regularly.

We also link to copies of audits of nonprofit organizations that spent \$750,000 or more in Federal contracts in a single fiscal year since 2016. These audits are copied from the Federal Audit Clearinghouse.

Which Organizations Are Here?

Every organization that has been recognized as tax exempt by the IRS has to file Form 990 unless they make less than \$200,000 in revenue and have less than \$500,000 in assets, in which case they have to file form 990-EZ. Organizations making less than \$50,000 don't have to file either form to let the IRS they're still in business. [Form 990N "e-Postcard"](#)

Nonprofit Explorer has organizations claiming tax exemption in each of the 27 subsections of section 501(c) of the tax code, and which have filed a Form 990, Form 990EZ or Form 990PF. Taxable private foundations that are required to file a form 990PF are also included. Small organizations that file Form 990N "e-Postcard" are not included in this data.
